***So... wipe that smile off your face and let the good times roll!***

**To lock the puzzle:**

- 1 • Place roll of toilet paper inside the puzzle, leaving one sheet peeking out through the slot opening.
- 2 • Close the puzzle and fasten the hinge.
- 3 • Slip end "A" of the fabric locking device through the hasp.
- 4 • Pass end "A" through slot "C".
- 5 • Pass ball "D" through slit "B".
- 6 • Pull end "A" back through slot "C". The puzzle is now locked.
- 7 • Slip the contraption onto the toilet paper holder bar, hide extra rolls from view, and wait.

***Reverse steps 2 through 7 to unlock the puzzle.***
