

Don't Push My Buttons™ is the sweetest revenge you can have on people who annoy you with cell phones, remote controls, alarm clock snooze buttons...

WARNING: IF RECIPIENTS CHEEKS TURN A DANGEROUS SHADE OF RED, IF TEARS SHOULD FLOW, OR IF THEIR KNEES ARE BLEEDING FROM EXCESSIVE BEGGING, IT IS TIME TO BARTER!

To lock the puzzle:

- 1 • Remove rod "A" (long) from inside the puzzle.
- 2 • Place your friend's possession inside the puzzle and remove peg "B" (short) from the locking hole.
- 3 • Place one end of rod "A" in empty locking hole, and the other end into the top hole. Push the rod upwards and hold it into position.
- 4 • Rotate the puzzle 5 or 6 times in a clockwise motion until the rod is locked into place.

To unlock the puzzle:

- 1 • Sign a contract outlining promises to be kept once the possession is released.
- 2 • Rotate the puzzle in a counterclockwise motion until the locking mechanism is released and rod "A" falls free.
