

Sacred Myths and Legends™

The Equation™

the equation™

Historical figures, events and cultures have all left us clues to secrets, treasures and myths. Passed on by a chosen few who have succeeded in masking the secrets, it is now time to follow the clues and attempt to uncover their mysteries.

Galileo, Newton and Einstein: three historical visionaries known for their revolutionary mathematical, mechanical, astronomical and scientific discoveries. But each used previously discovered theories, tools and visions in order to advance their own. These scientists may simply have left us the clues on which to build. Or could it be that their allegiance and associations are the real formula and part of an even bigger meaning?

Welcome to your journey through 7 unique puzzles. Venture the trail and uncover the clues and, possibly, solve the mystery

Arrange the puzzle pieces within the boundaries to establish the base. Then engage a piece of Da Vinci™ and uncover the scientists' formulas and follow the signs to discover the Legend of the King™

Different formulas yield
contradistinctive results – blueprints
and steps will alter the summation
since the solution is twofold

Use the Clues provided to solve "The Equation™" and obtain additional details needed to solve subsequent puzzles as well as to the password to gain access to even more Sacred Myths and Legends info online @ www.familygamesamerica.com

Family Games America FGA Inc. takes pride in manufacturing high quality games and puzzles using natural materials. Please keep in mind that natural fibers have a tendency to react to variances in global temperatures and conditions. Differing humidity levels may cause wood to swell or shrink, thereby causing pieces to loosen, tighten, or puzzle mechanisms to block temporarily. Please use a drop of carpenter's glue to reattach any loose pieces, and use patience for tight or blocked pieces. Thank you.
