Or was the legend created in order to keep a more important secret hidden?

Family Games America FGA Inc. takes pride in manufacturing high quality games and puzzles using natural materials. Please keep in mind that natural fibers have a tendency to react to variances in global temperatures and conditions. Differing humidity levels may cause wood to swell or shrink, thereby causing pieces to loosen, tighten, or puzzle mechanisms to block temporarily. Please use a drop of carpenter's glue to reattach any loose pieces, and use patience for tight or blocked pieces. Thank you.
