

do NOT make a match, they are turned back over in the exact same spot and it is the next player's turn.

NOTE: USE YOUR MEMORY TO REMEMBER WHAT AND WHERE THE CARDS ARE.

Winning: When all of the Daddies have been matched with their proper Animal Family, one point is given for each card you have. The player with the most points wins.

Who's Your Daddy?

#TV7202

Includes: 50 Who's Your Daddy? cards - 25 Daddy and 25 Animal Family.

Object: Match the most Daddies to their proper Animal Family.

Game Preparation: Sort the 25 Daddy cards from the 25 Animal Family cards. Shuffle each deck separately. Lay the Daddy cards face-down in rows of 5 x 5 on the right side of the playing surface. Do

the same with the Animal Family cards on the left side. Decide who goes first. Play proceeds to the right.

NOTE: CARDS CANNOT TOUCH AND MUST HAVE AMPLE SPACE TO FLIP.

Game Play: Player 1 chooses an Animal Family card and turns it over carefully. Player 1 then turns over a Daddy card. If a matching family is made, Player 1 takes the two cards and keeps them as points. Player 1 goes again. If the two turned cards
